

Neighbourhood Plan for Cuddington
SELECTION OF STEERING GROUP
Wednesday 13th June from 8.30-9.30pm
St Nicholas Church

AGENDA

1. Introduction
2. Selection of Steering Group
3. Draft Vision Note – June 2018 (produced by Oneill Homer – planning consultant)
4. Next steps
5. AOB

The aims of the meeting are: -

1. To set up the Steering Group (and Task Groups if there is time)
2. Carry out an initial review of the Draft Vision Note produced by Neil Homer. (If time permits we may also be able to look at the actions for the Task Groups).

A draft Organogram will be circulated identifying potential members of the Steering Group and the Task Groups for agreement at the meeting. Members of both groups can be changed as we go along but it is hoped that the Steering Group can be stable during the process up to final publication of the Plan.

The Draft Vision Note by Oneill Homer has been circulated to attendees and extra copies will be brought to the meeting. This is quite a lengthy document and was only received on Monday evening, so we may need to spend some time understanding the scenarios that Neil has set out before we comment. One of the aims of the meeting is to ascertain what changes / additions we would like to see to the Vision before it is amended and we go out to wider consultation on the various scenarios.
