Cuddington Fete 2023

The Parish Council would like to congratulate the Fete committee on their hard work in organizing the village fete this year. It has been 4 years since the last fete, and it has been greatly missed. The Fete is a great day out for the village, families and visitors. It also raises funds for village organization's which is gratefully received.

This year's committee was run by Lizzie Greenwood-Hughes, Rachael Barnard, Ellen Dyer, Viv & Ken Birkby, Kaley Potts, Ken Trew and Charlie Eckton. Our thanks to them all for their commitment and hard work for making the day a great success. We would also like to thank all stall holders, Tyringham Hall for providing the teas and Mike Cottman for being the master of ceremonies. It takes a lot of organization from everyone involved to make the fete work and it is appreciated by us all.

HGV's

On Friday 21st July there was an incident in Dadbrook where an HGV mounted the kerb to avoid another HGV coming the other way. The incident has been reported to the police and is being dealt with by them. The police have recommended that residents should photograph any further incidents of HGV's mounting the kerb to avoid other vehicles and send the evidence to the police. Please only do so if it is safe to take a photograph. Your personal safety is paramount.

Thought for the month...

Where do you think you will go on holiday next year?

We Brits have sought reliable sun in summer and headed for Spain, France, Italy, Greece and Portugal. This year our friends are coming back with stories of holidays ruined, not by grey skies, but by 50° temperatures. They were trapped in air-conditioned rooms with the swimming pools so hot that they needed a cold shower to recover from swimming.

Next year if you want a lovely Mediterranean holiday, better book in October.

We can book holidays in the UK, *but* climate change does not guarantee hot sunny weather. We might get rain as we have never known before causing floods even in summer.

What about winter holidays? The ski season is ever shorter and high ground ever more prized.

Where will we book reliable holidays where we can relax and play?

We will adapt. The changing climate will change where we book, but we will still get a holiday.

But please spare a thought for those who live in vulnerable places in our world. Scorching sun may ruin our holiday, but for many it destroys their crops. Floods here may cause a few traffic issues, but for many they are the destruction of whole towns and regions.

We need to change more than our holiday plans. We need such radical change to reduce CO₂. The changes are so great that it is hard sometimes to come to terms with. Science tells us that. However, science does not change behaviour.

If we are to change, we need to draw upon the deepest of spiritual traditions. We need to reconnect with nature. We need to realise how linked we are to our environment. We also need to remember that we have a responsibility for all people. The second of only two great commandments in the Bible is to 'love your neighbour as yourself'. If you ask the children in our schools to tell you who our neighbours are they will tell you 'Our neighbours are everyone, everywhere in the world.' This year is hot. Next year will be hotter. Let's change more than our holiday plans. Phil Groves

CPFA News

Luckily this summer's mixed weather hasn't deterred many of you from venturing down to the Clubhouse, it's been a busy month! We have hosted some great parties recently and have more in the diary. In particular we enjoyed seeing so many of you after the fete for fish& chips, rounders and a few drinks on the playing fields. The first Wednesday of each month continues to be book club at the clubhouse, with the last Wednesday of the month being Bingo night. A couple of other dates for your diary are:

Saturday 12th August @ 6pm – Beers, Burgers and Boules. We will be holding an informal boules game with drinks and a BBQ available at the clubhouse. Entry is free, simply come along and put your bowling skills to the test. The bar accepts cash or card for drinks and snacks, but the BBQ will be cash only.

Thursday 14th September @ 7.30pm – CPFA AGM. All welcome! The Cuddington Playing Fields Association are a group of volunteers who manage the playing fields and clubhouse (the bar is run by a separate team). We are always keen to add to our committee so if you are keen on sports, fundraising and village events then come along to see how you can get involved.

Saturday 7th October @ 7.30pm – Race Night. Join us for a virtual race night at the clubhouse. This was a sell out last time so promises to be another popular event. Tickets are £5 per person which includes a glass of fizz. Bring cash for your bets!

Once again, thanks to everyone who volunteers behind the bar for what has been a very busy July. And thank you to all those who continue to support us either

through buying drinks, hiring the clubhouse, sharing a joke over the bar or jumping in when we need glasses washing!

Thank you from Mandy!

So, the 24th June was my 100km Cotswold Way

Ultra Challenge that so many of you sponsored me for, raising valuable funds for Arthritis research.

Unfortunately, after 63km I made the tough decision to withdraw. The heat and the hills got the better of me and at 53km I was ready to stop. Your generosity and me not wanting to give up encouraged me to go the extra 10km, hoping things would improve.

This 10km took 3 hours and almost broke me...the decision was made! I came away with a Half Challenge medal and £1625 for Versus Arthritis so although it made me hurt quite a lot, it was a pretty successful weekend! Thank you.

Cuddington Fete thank you

On behalf of this year's Fete Committee, please accept my huge thanks to everyone who helped or attended this year's event. *When it started to pour down at 11.45, I thought it was going to be a total wash out. But the sun came out, people started arriving and with your help, everyone had a wonderful and successful day.*

Particular thanks must go to the **set-up and take-down crews** including Andy Lockett, Aaron Swain, Malcom and Dan Thomas who tackled the tables and bunting. To Chris Long and Andy Crown who expertly equipped us with all the vital **Sound Equipment** including speakers and microphones without which the fete couldn't happen. Thanks to all the hard working **stallholders**, I can't name you all but without you, it simply couldn't happen.

Thanks to the **cake and jam makers, the plant growers and the facepainters** and everyone who donated or collected items for the **Tombola and Book stall**. To the **BBQ team** who slaved over the hot burgers and also thanks to the **Pimms stall**. Thanks to Sherry Scott and Angela Wenham whose **Tyringham Tea makers and servers** did an incredible job. Special mention also to the superb **washing-up gang** who toiled away in the background and to Harry Davies for putting up the **marquees**. Thanks to our celebrity opener Brendan Cole who was still smiling despite getting drenched. To **Mike 'the mic' Cottman**

who did another splendid job with his commentary.

To our brilliant entertainers - the band '**The Fine Young Cuddingtons**', to Elaine English and **CYD** and to the **school dancers** from the **Claydon Dance Academy**. Thanks to our **Parking Crew**

Gill Reeves and Ian Mackay who put in an amazing effort at the playing fields.

Thanks to our **Tug of War** organisers and their teams who comfortably beat Dinton. To the **shop** for all their help with floats, to the **Pub** for

their support and to **Denise** for her stall and also for lending the hairdressers to the first aid team. Thanks to Lorraine and Rachel for expertly manning the **Bouncy Castle**, to Joseph and Hamish on **Ball in the Bog**. Thanks to Denis and his friends for the wonderful **Vintage Tractor Display**. To James Gibson for kindly lending and delivering **hay bales** for the **coconut shy**. Thanks to the **Church** for putting on tower tours and activities and also the **Baptist Church** for lending their loos and creating fun activities. To **Paul Ridout** for his fabulous official photos which you can see in this issue. Thanks to **C&D School** and **Kim Price**. Also to **Pam's Bakehouse** for her wonderful 'guess the weight' cake. Thanks to fete favourites - the **Human Fruit Machiners, the Plate Smashing** crew and to a hard working little rescue pony called **Wispa** who carried 35 children on the **Pony Rides**.

This year's fete theme of 'Bees' literally came alive thanks to the **Mid Bucks Beekeepers** who brought with them a live hive

and lots of fascinating educational material expertly captured on the fete film, see link below.

The fete couldn't take place in the village centre without the support of those of you who **live on or near to the fete roads**.

Everyone appreciates your patience and help (special mention to Rupert on the Lower Green who kindly offered a last minute electricity supply!)

Also thanks to Charlie from South Bucks Tree Surgeons for helping with the **road closed signs**.

This year's raffle was only made possible thanks to the generosity of our prize donors - **Rose Dale at Manor farm, E J Churchill, Ivor Miles, Charlie Eckton and the Crown Pub in Cuddington**.

There are lots of up front costs involved in running a public event and we were very fortunate to be able to run this year's fete almost from a position of profit due to the generous support of our sponsors, **Rectory Homes**. A big thank you to them.

Fete film <https://fb.watch/m7d-o5p9og/>

Finally **all my thanks to the 2023 committee**. At times, it was a bit like the blind leading the blind with 3 newbies but we all felt strongly that our lovely village should have a fete again.

So huge thanks to **Viv** for taking on the biggest job of stalls co-ord and **Ken** for his help and support; **Ellen** for all the signage, shed clearing, ads and tirelessly pulling in friends and favours; **Rachael** for making the programme, the beautiful Upper green cut-out and everything bee related; **Ken Trew** for so diligently doing all the important paperwork and road closures; **Kaley** for working as Treasurer (just one more time) and to **Charlie** for her relentless energy and optimism and for holding it all together on the day.

We would love all of you in the village to be involved again next year please. The date is Saturday 13th July 2024 so please put it in your diaries!

We are still finalising the exact figure raised this year but it is **well in excess of £5000 profit**.

Thank you to those of you who have already made grant applications. The deadline is 31st August and successful applications will be distributed in the autumn.

I will be stepping down as chair, so we are looking for a new chair and we need more committee members please, everyone is very welcome. It's fun, honestly!

Thanks and best wishes Lizzie Greenwood-Hughes, Cuddington Fete Chair 2023

News from the pub!

So the last few weeks have been exciting times at the Crown. You will see we have had a bit of a facelift.

The outside of the pub has been patched and repainted, windows, doors and the bar have been painted. The cellar and kitchen have also had a makeover and we have a lovely new bin store and a bright new pub sign, as well as new (more economical) outside lights.

It was fascinating to watch the sign writer working free hand on our newly painted walls.

There is still some maintenance work planned to fix the flat roof but overall things are

looking smarter and we look forward to welcoming you to assess the change for yourself.

On 18 July we had a great evening with the Whitchurch Morris, thanks to those that came out to support and especially to the locals who volunteered (or were cajoled ☺) into having a go themselves...

Our July quiz raised funds towards the repairs needed for the 'rocking' horse in the playground at Cuddington Playing Fields – turns out he is a bit of a rare breed.

We are taking a break from the quiz in August as people go off to enjoy their summer holidays. We will be back again on Monday 4 September raising funds for Cuddington's Nicholas Almond charity.

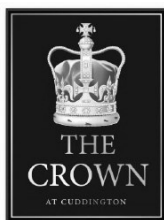

Before then though on August Bank Holiday Monday we will be trying out our new BBQ on the patio accompanied by some live music.

We want to introduce more regular live music sessions in the pub during the Autumn, if you know of a band that are looking for a gig get in touch.

Dates are also being planned for a 70's/80's disco and another Curry-oke night... keep an eye out for more details shortly.

We do already have a couple of events planned for September: **Wednesday 13 September** – following the success of May's Golf Day we have arranged another one, this time to be at Studley, £40 per person, please register your name, handicap at the pub – fee payable on registration. Fish and Chips and prize giving back at the pub afterwards from around 7pm.

Thursday 21 September – Gentlemen's Dinner being arranged by Phil Johnson email philandsherryscott@gmail.com
Cheers! Glyn and Tracy

Bertie & Betty Bee on Fete Day

On the day of the fete the Methodist Church was open and available for parents to bring their youngsters to display their artistic talents.

As you approached the front door of the Methodist Church you were greeted with 2 large sunflowers in pots either side of the door. Bees adorned the petals and all were so realistic. Sadly the early rain showers meant we had to keep bringing them inside. There was a lovely hand painted bee that was so realistic on the outside of the Church door.

In the window were Bertie and Betty Bee with their Bee hotel being the focal point for children to draw pictures of bees and flowers.

We had a picture of Jesus with the children of the nations showing the importance the Bible puts on Children in our society. New Testaments were given away to any who asked as they had helpful verses for the present climate in our society

During the fete the number of children increased with a selection of ages and talent being shown. Many budding artists exhibited their delightful pictures. It was special to have so many children happily being so creative. We had visits from people who had been part of the Sunday school when they were children.

It was a pleasure for all of us to be part of the day.

Florence Nightingale

Hospice Charity has officially launched their first-ever music festival, FlorenceFest, which will be held at Roman Park Hall, Aylesbury on **Saturday 16th September**.

FlorenceFest aims to provide people with an end-of-summer music event that all of the family can enjoy as well as its other purpose to raise crucial funds for local hospice care.

The event will run from 12pm-12am with live music, a DJ, street food vans, fully stocked bars and family-friendly activities to keep the kids entertained.

"We're really looking forward to hosting a fantastic music event, which is the first of its kind for the charity," shared Steve Butcher, creator of Chilfest and is the lead of this event on behalf of Florence Nightingale Hospice Charity. "We've got a very talented line up of tribute bands which will come together to create a great overall show for the community. We hope people come out and show support for the charity and, just as importantly, have a great time celebrating good music, the end of summer and time with family and friends. All profits from this event will go directly to the charity, which

is dedicated to delivering the best hospice care for individuals and their families across Buckinghamshire and its borders, wherever and whenever they need it.

"We take great pride in providing high-standard events across Buckinghamshire and we actively look to positively contribute to the numerous communities across the region. FlorenceFest is our latest event which will do both this as well as hopefully raise money for the Hospice. We hope it's a great day for everyone."

The event is launching with early bird prices available until Tuesday 22nd August. The early bird prices are; £12 for adults, £8 for under 16's and all under 4's will be free throughout presale and on the day of the event.

Haddenham Community Library

The autumn programme at our local community cinema begins on Thursday 7th September with **Madame Butterfly on the Lake** (Cert. 12A). Captured live this summer at the Bregenz Festival, Lake Constance, Austria, Giacomo Puccini's *Madame Butterfly* comes to the Lake Stage for the first time with Enrique Mazzola conducting. Director Andreas Homoki and his internationally renowned team use Michael Levine's magical stage set with its subtle landscape paintings to bring Japanese flair to Lake Constance, Austria. The young geisha, Cio-Cio-San, revels in happiness when the American Naval Officer Pinkerton marries her, believing she is entering into a real, binding marriage for life. Forsaking her religion and community, she learns all too late that for Pinkerton, their marriage is merely an illusion – with tragic consequences....

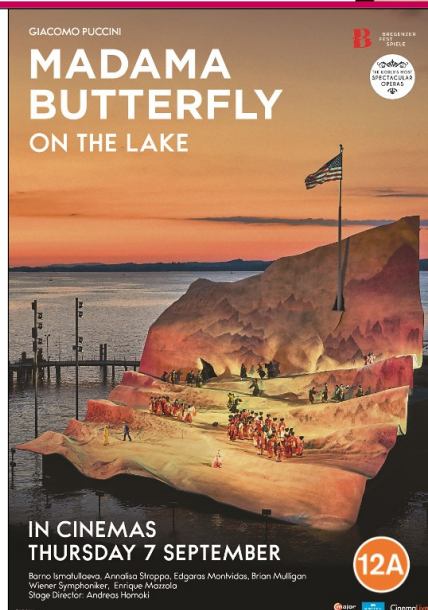

On 14th September, postponed from last June, we've a fabulous

romcom **What's Love Got To Do With It?** (cert. 12A) starring Emma Thompson, Lily James and Shazad Latif. How do you find lasting love in today's world? For documentary filmmaker Zoe (James), swiping right to find Mr Right has only delivered bad dates and funny anecdotes, much to her opinionated mother Cath's (Thompson) dismay. For her childhood friend and neighbour Kazim (Latif), the answer is to follow his parents' example and

opt for an assisted marriage with a bright and beautiful bride from Pakistan. As Zoe films his hopeful journey from London to Lahore to marry a stranger, chosen by his parents, will true love win out in the end? "Arranged marriages, Emma Thompson, and inexplicably nice lodgings are a winning formula in this future classic," says *The Independent*. "Bright and breezy ... a fun, big-hearted blend of culture," says *Metro*. "Different approaches to the dating game inspire writer Jemima Khan's predictable but disarmingly sweet film," says *The Guardian*.

On the 21st our film will be **Allelujah** (cert. 12A) written by Alan Bennett and Heidi Thomas (*Call the Midwife*). When the geriatric ward in a small Yorkshire hospital is threatened with closure, it fights back by galvanizing the local community.

THE VILLAGE PICTURE HOUSE CUDDINGTON

The hospital invites a news crew to film the preparations for a concert honouring its most distinguished nurse. What could possibly go wrong? The film celebrates the spirit of the elderly patients whilst paying tribute to the deep humanity of the medical staff battling with limited resources and ever-growing demand. "Alan Bennett's NHS drama is a pot-banging success ... A ward-full of British talent star in this darkly amusing look at frontline healthcare," says *The Telegraph*. "A moving love letter to the NHS set in a world of death and incontinence. This soapy celebration of our national health service is moving and uplifting," says *The i*. "Jennifer Saunders delivers a career-high performance," says *The Times*.

Then on 28th June, we're screening **Call Jane** (cert. 12A)

starring Elizabeth Banks and Sigourney Weaver. In late 1960s Chicago, pregnant housewife Joy finds out she has a potentially life-threatening illness, and the only treatment is to have an abortion. Declined by the hospital board of directors, she sets out to find an alternative to hospital treatment. Joy then discovers an underground network of women who take risks to provide abortions to pregnant women, 'Call

Jane'... "Elizabeth Banks is an exhilarating heroine in this fascinating slice of modern history," says *The Telegraph*. "Elizabeth Banks is terrific as a pregnant housewife in a surprisingly upbeat abortion drama," says *The Times*. "Brisk, upbeat and brimming with positivity, *Call Jane* is emphatically timely," says *The Guardian*.

Looking ahead to October, on the 5th we have **The Unlikely Pilgrimage of Harold Fry** starring Jim Broadbent as an ordinary man who has passed through life living on the sidelines, until he goes to post a letter one day... and just keeps on walking. On the 12th we'll be showing **An Evening with Jonas Kaufmann**, with the "King of Tenors" taking us on an unforgettable musical journey in the magical setting of the Arena di Verona, Italy.
