## Tearfund - The Big Quiz

Following the success of recent years, on **Saturday 15<sup>th</sup> November** St Nicholas' Church will once again be taking part in the **Big Quiz Night**, a nationwide quiz in aid of Tearfund. Thousands of people in hundreds of venues will come together in communities across the country for a night of quizzing fun, raising money to help end extreme poverty. Angela and Charles Sanderson have been working hard to come up with a range of fun, interesting and mildly challenging questions to entertain us on the night! So please join us by either putting together a team of six to make up a table, or just come yourself and we will find a team for you on the night.

**Please buy your tickets (£5 each) in advance from the Cuddington Stores.**  
Or email: [cuddingtonchurchevents@gmail.com](mailto:cuddingtonchurchevents@gmail.com)  
**Doors open at 7pm for a 7:15pm start.**

You are welcome to bring food or snacks, but please no drinks as there will be a licensed bar offering soft and alcoholic drinks, with all funds going to the charity.

## Thought for the month...

Every November we stop and are silent for 2 minutes to remember.

What are we remembering? Most of us are not remembering our own story. When I was first a vicar Remembrance Day was focused on the needs of the surviving veterans to remember their lost colleagues. Remembrance Day was for families to remember those who never came back. In recent years this has changed. We are the generation where war has mainly been a distant echo in other places.

What are we remembering?

To remember we have to listen. We need to listen to those who are traumatised by war.

They want peace and justice and these are only ever achieved when the victims and survivors of trauma are listened to.

I ask you to take time to listen to those who have suffered in war. As the names are read out, be aware of the horrific cost of the two world wars, but also listen to those weeping in Ukraine, Sudan, Israel, and Palestine.

When we do that, we will know what we are remembering. The next challenge is to act effectively with compassion. Phil Groves

## School News

It has been a very busy half term with learning routines becoming established; daily phonics, creative writing and numeracy skills giving confidence with number work and science, PE and creative subjects adding to the mix. The first school visit of the year was the year 1 and 2 trip to Bekonscot Model Village as part of the Houses and Homes project. The school [website](#) has some lovely photos of this trip.

As part of Waddesdon Manor Christmas Art Project their artist in residence has been in school working with all children from year 1 to 6 experimenting with different textiles and unleashing their creativity. Their work will be on display at Waddesdon Manor over the Christmas period. Real democracy starts very early here as each class has been electing their representatives for the Infant Site School Council following a secret ballot; Congratulations to those elected. The School Council have chosen Emmet's Genies and Tiggywinkles as their charities to support for Mufti Days this year; by encouraging courageous advocacy the aim is for pupils to champion causes they believe in. **The PTA (called F4CADS) have recently met to plan a host of fundraising events for this coming school year. Please support their Cake Sale at the Cuddington Fireworks on 8<sup>th</sup> November.**

At our school, pupils are normally admitted at the beginning of the school year (1 September – 31 August) in which they reach their fifth birthday. Parents whose children were born between 1 September 2021 and 31 August 2022 may apply for them to be admitted to the Reception Year in September 2026. If this applies to you and you have missed the two open mornings in October, please contact the school office to arrange a visit.

# Cuddington's great asset

**What is available for everyone, open every day and is completely free to use?**

Of course, it is our playing field. Sports, strolling, dog-walking, safe play space for children, meeting and leisure facilities and much more. Not everyone is aware that the financing and running of this is **not** part of the Council Tax that we all pay. Certainly, the village owns the land through the Parish Council, and the PC receives a peppercorn rent of £25 pa from Cuddington Playing Field Association (CPFA), which is totally responsible for the maintenance and upgrading of the land and Pavillion.

Financing and management are overseen by a committee of volunteers. The money comes from various sources, such as fees for using the pitches and hiring the Pavilion for private functions as well as organising and running village events. However, the majority of funding comes as a result of profits from sales in the Club bar.

The CPFA and the Playing Field Club must be separate organisations for charity and licencing reasons, but the bar is also run by more village volunteers. Whilst all villagers are members of the CPFA, users of the bar need to be members of the Club to buy drinks. For certain village events, a special licence is obtained to allow non-members to be served. Membership fees for the club are modest, at £10 but with concessions for families and seniors. Only 133 adults in the village are members, out of over 550 residents!

It would be tragic for Cuddington if, in the future, it became impossible to raise enough funding to meet the ever-escalating costs. Whether you want to be a regular user of the Club bar, or not, please sign-up to become a Club member. Consider it to be a small price to help pay for running the whole Playing Field operation, for the benefit of everyone in the village.

**To join talk to Malcolm Thomas 07967 480418 or visit the Club during opening hours----Friday 5-10, Sat 5-8, Sunday 3-5.**

# Cuddington Matinee Cinema

On Monday 17<sup>th</sup> November at 1.30 (doors open 1.00pm) in the Bernard Hall, the film **Chocolat** will be screened, A film starring Juliette Binoche, Judi Dench, Johnny Depp. Nobody could have imagined the impact

that Vianne would make when she arrived in a tranquil, old fashioned French town. In her very unusual chocolate shop, she creates

mouth-watering confections that almost magically inspire the straightlaced villagers to abandon themselves to temptation and happiness. When a handsome Irish traveller arrives in town, Vianne is finally able to recognise her own desires.

The Village Picture House's autumn programme continues on Thursday 6th November with **White Bird** (cert. 12A), a spin-off sequel to the 2017 film *Wonder* starring Orlando Schwerdt, Gillian Anderson and Helen Mirren. Julian has struggled to belong ever since he was expelled from his former school for his treatment of Auggie Pullman. To transform his life, Julian's grandmother finally reveals her own story of courage. During her youth in Nazi-occupied France, a boy shelters her from mortal danger. Together, they find first love in a stunning, magical world of their own creation, while the boy's mother risks everything to keep her safe. "This haunting, poignant film deserves as wide an international audience as it can get," says *Film Review*. "One of the most impactful, touching, and beautiful stories told this year," says *The Hollywood Handle*. "Helen Mirren and a superb young cast help make this exceptional and timely WWII Holocaust teen story a must-see," says *Deadline*.

Then on 13th November we'll be showing **Sorry Baby** (cert. 15) starring Eva Victor, Naomi Ackie and Louis Cancelmi. Something terrible happened to Agnes, a twenty-something academic in a small New England town. But life goes on for everyone else. When a friend visits on the brink of an important milestone, Agnes realizes how stuck she's been, in this bittersweet story of finding your way after your world comes crashing down. "A star is born in Eva Victor's remarkable depiction of assault and survival," says *The Independent*. "Eva Victor's directorial debut is perfectly judged, with a classy performance from Naomi Ackie," says *The Times*. "Eva Victor depicts the aftermath of sexual assault with striking naturalism and surprising grace ... warm and bitingly funny," says *The Guardian*.

On the 20th our film will be **Four Letters of Love** (cert. 12A). Pierce Brosnan, Helena Bonham Carter and Gabriel Byrne star in this romantic drama set in the west of Ireland.

Nicholas and Isabel are made for each other, but as destiny pulls them together, family, passion and faith drive them apart. As they embark on journeys of heartache and misplaced love, however, fate soon contrives to pull the threads of their lives together... "This top-notch cast gives it their considerable all," says *The Independent*. "A quiet, lyrical, Irish love story featuring a superb cast," says *The Spectator*. "Four Letters of Love may have a star-studded cast but the scenery in Northern Ireland proved to be one of the film's main characters," says *BBC News NI*.

On 27th November we'll be screening the National Theatre's latest production:

**The Fifth Step** (cert. 15) captured live in the West End and starring Jack Lowden and Martin Freeman. After years in the 12-step programme of Alcoholics Anonymous, James becomes a sponsor to newcomer Luka. The pair bond over black coffee, trade stories and build a fragile friendship out of their shared experiences. But as Luka approaches step five – the moment of confession – dangerous truths emerge, threatening the trust on which both of their recoveries depend. "Raw, excruciating and often alarmingly funny," says *The Daily Mail*. "A tight, thought-provoking vehicle for two actors at the top of their game," says *The Standard*. "Freeman and Lowden spar like champions ... a fascinating study of men with lives out of control," says *WhatsOnStage*. In December, we have two films before we break for Christmas. On the 4th we'll be screening the hilarious **Naked Gun 2025**, in which Frank Drebbin Jr. (Liam Neeson) becomes a bumbling police officer just like his legendary father. On the 11th, we'll be showing the classic, Oscar-winning Christmas musical **White Christmas**, now re-mastered in UHD and surround sound. The ticket price will include Christmas refreshments at the bar.

# North Bucks Community Projects

## Community Spirit Is Still in Action Across North Bucks

Across our local villages, a growing number of community living projects are being set up to help to make everyday life easier for struggling families and to protect the environment for future generations to enjoy. In case you weren't aware of our fantastic projects and the opportunities that they bring, we have summarized them below. If you'd like to get involved, please get in touch as we would love to welcome you on board.

**I'd Like To Borrow** Our lending library helps neighbors share what they have and borrow what they need; from tools and garden gear to home essentials. It's all about saving money, reducing waste, and supporting one another. We're always happy to welcome new volunteers and accept donations of decent-quality items. We can even collect directly from house clearances and help with sorting, so nothing useful goes to waste. If you'd like to be involved or donate items please get in touch.

**I'd Like A Bike** This winter we're running our "New Year, New Bike" appeal, collecting unwanted bikes to repair and rehome with families who need them most. Families on low incomes, care leavers, or those in vulnerable situations can trade in their child's old bike and receive a discount on the next size up. Please consider donating your old bike and helping another family enjoy the independence and fun of cycling. If you are unsure if you would qualify for the scheme, please still get in touch to check, as we assess families on a case-by-case basis.

**I'd Like A Bus** Our community buses provide a vital link for residents, running trips to shops, garden centers and social outings. We're currently fundraising through JustGiving to cover ongoing maintenance and repairs so the buses stay safe and on the road, this is the link... if you are in a position to contribute, please do consider donating and ensuring the longevity of this valuable community resource - <https://www.justgiving.com/crowdfunding/id-like-a-bus-donations>

We're also looking for volunteer drivers and organizers in each local village to plan local trips for social groups. If you enjoy helping people stay connected, we'd love your support, just get in touch. We will help you advertise and organize!

**North Bucks Food Drive** A heartfelt thank you to everyone donating to the North Bucks Food Drive. Your contributions go straight to Aylesbury Vineyard's Storehouse, supporting families across the region.

We'd love to hear from anyone able to spare just an hour a month — particularly those with transport — to help collect or deliver donations between villages. **Get Involved** None of this would be possible without our volunteers and supporters, and of course, our fantastic community organiser Cllr Ashley Waite, who keeps everything running smoothly.

To find out more, to volunteer, or to donate, call or text Ashley on 07977 401548

### Cuddington Methodist Church Parking

The Church members would like to express very sincere thanks to our friends and neighbours who have been willing to let us park on Sundays in their space or on their property. This enables the elderly among us to drive to Church each Sunday. May we also politely alert local residents and visitors that it would also be helpful if they could avoid parking on the little space in front of our Chapel on Sundays during service times.
